

# Topics

1) Given a graph, determine the vertex, Axis of Symmetry, Max or Min, vertex form of equation

Example: MVP Structures of Expressions

Pg 7 #2 / pg 8 #4

2) Given Chart, determine same as above.

Example: MVP Structures of Expressions

pg 8 #3

3) How do changes to the parent function affect the graph? Throughout notes!

4) Given table determine type of function & function (must use calc for some!) Throughout notes: 2/7 + 2/8
